#### What a year we have had! Congratulations and thanks to all our Committee

**President's Post: Dig In Together!** 

Chairs for the enriching field trips, workshops, and helpful tips throughout the year. We have given of our time to the community through work at the Highline Canal, Denver Digs Trees, Craig Hospital and Civic Center Park. We have spent many hours at the DBG in Lainie's Cutting Garden, tending the flowers and making amazing floral arrangements, including those for the Fete de Fleurs, and decorating the Romantic Garden for the holidays. We have advocated effectively for native plants at the state and federal level. We drew in a crowd to view the stirring film Amache Rose at an Open Meeting where we also provided education about our environment and showcased our members' beautiful photographs.

Thank you to our Program and Hospitality Chairs and members for making our monthly meetings educational, interesting, fun, beautiful and delicious.

We are looking forward to welcoming our three new Apprentice Members Mary

Lee Chin, Laura Marx, and Margaret Tezak, and a new Affiliate Member from Portland, Priscilla Longfield at the June Annual Meeting! This is sure to be a wonderful luncheon in the All-American Selections Garden at the DBG. Please remember to sign up in advance to enter the Flower Show, A Few of our Favorite Things, or come day-of with a favorite cut flower or two from your garden. Most of all, enjoy the rejuvenating benefits as our natural world unfolds this summer!
