President's Post: Dig In Together! "Stuff your eyes with wonder... live as if you'd drop dead in ten seconds.

See the world. It's more fantastic than any dream made or paid for in factories." — Ray Bradbury

The crisp winter months are upon us, and how lucky we are to live in Colorado

with our sunshine and sparkling snow! As gardeners, we get to take a bit of time

off to enjoy observing the natural world a little more. I hope you all get the chance to wander in the winter landscape this season.

We are in for some busy and wonderful months coming up, so check the calendar and your small inhor and plan on attending the workshops, field trips and

and your email inbox and plan on attending the workshops, field trips and meetings planned by our amazing leadership team.

See you there!
